

CLAIRE DAVIS
SENIOR PRODUCT DESIGNER

Product designer with 10+ years' specialising in simplifying complex journeys into clear, intuitive experiences that drive engagement, combining product thinking, behavioural design, and strong visual craft.

I work end-to-end, from discovery through to delivery, working cross-functionally to ship products that solve real user problems and drive measurable business impact.

EXPERIENCE

Senior Product Designer, Healf
Jan 2026 - Present

- Leading product design across core consumer journeys, focusing on activation, retention and LTV.
- Translating complex health data into simple, actionable user experiences.
- Partnering with product and data to define success metrics, run experiments and prioritise roadmap initiatives.
- Contributing to scalable design systems to support rapid iteration.

Senior Product Designer, Jo Malone London
February 2020 - December 2025

- Delivered conversion tooling aligned to measurable commercial outcomes.
- Led end-to-end redesigns of key e-commerce journeys, improving conversion and engagement.
- Built and scaled a cross-brand design system to increase consistency and delivery speed.

Senior Digital Designer, Claire Davis Ltd
May 2017 - February 2020

Mid - Senior Digital Designer, Wednesday Agency
September 2015 - May 2017

Digital Designer, Dorothy Perkins (Arcadia)
September 2013 - August 2015
