

CLAIRE DAVIS

SENIOR PRODUCT AND WEB DESIGNER

With over a decade of experience across in-house and agency settings, Claire is a multidisciplinary product designer known for blending business strategy, brand integrity, and user centered design.

From leading large-scale website redesigns and building design systems to delivering data-led activations and conceptual digital storytelling, she brings a calm confidence to complex challenges.

Utilising emerging tools and technologies, Claire embraces the shifting nature of the digital world to enhance and inform her work and processes.
